

Siarhei Puzankevich (Belarus) traveled to Austria in October 2019 to take this Alpine chamois with ProfiHunt.

Alpine Chamois (10/2019): With the help of **ProfiHunt [Diamond Supporter]**, I was able to organize a wonderful hunt to Austria for Alpine chamois. They and my guide Uwe were very professional, and I took my chamois on the first day at 220 meters with Uwe's Blaser 93 in .300 WSM.
